We have been working in the field of Natural Resources, Education, Health and sanitation, Women Empowerment, Gender discrimination, Environmental issues, Sustainable Development and Human Rights etc.

22. Aims and Objectives

- : a.** Maintaining the Natural Resources and Environment within creased public participations with the available public schemes.
- b.** Improving the health standards of the people by making them aware about the harmful and contagious diseases.
- c.** Eradicating age old social practices that are prevailing in the society like child marriages, gender equality and women empowerment etc.
- d.** To raise awareness about the importance of education, ensure child rights are protected, provide access to quality education and skill development, career guidance for underprivileged communities, and reduce school dropout rates.

23. Vision and Mission

Vision

To effectively add to the social and monetary improvement of the communities in which we work and to be an association that consistently react to the evolving social realities through the advancement and utilization of information, towards development of sustainable society that promote and secures the equality, social justice and Human Rights.

Our vision is additionally set of a community where everybody has access to food security, health, drinking water, education, environmental issue, and promotes the privilege of women and man and child to enjoy life of wellbeing and equivalent opportunity. We aim to expand our effect both straightforwardly on the ground through our work, and in a roundabout way by influencing others.

Mission

To work towards the promotion of the welfare activities of the both central and State (Telangana) governments and its system for the development of the society, and in pursuance of its vision and guiding principle. The society organize programs to facilitate

the development of our societies through social work, research work as well as reaches out to the larger community through extension at local and regional levels.
